This is the
Stove Polish
YOU
Should Use

It's different from
others because more care
is taken in the making
and the materials used are of
higher grade.

**Black Silk
Stove Polish**

Makes a brilliant, silky polish that does
not rub off or dust off, and the shine lasts
four times as long as ordinary stove
polish. Used on sample stoves and sold
by hardware and grocery dealers.

All we ask is that you use your own stove,
your parlor stove or your gas range. If you
don't find it the best stove polish you ever
used, your dealer is authorized to refund your
money. Insist on Black Silk Stove Polish.

Made in liquid or paste—one quality.

Black Silk Stove Polish Works
Sterling, Illinois

Use Black Silk Air-Drying Iron Enamel on
grates, registers, stove-pipes—Prevents rusting.
Use Black Silk Metal Polish for silver, chrome
or brass. It has no equal for use on automobiles.

FORD PARTS Safer

It is safer to use Genuine Ford
Parts made by The Ford Motor Com-
pany in all cases. It is positively
essential that you use them in places
where your safety in driving depends
upon the quality and durability of the
individual part.

Take the front radius rod or "wish-
bone" for instance—an inferior make
might cause a serious accident. The
genuine Ford "wish-bone" is made
from the best vanadium steel and will
stand constant jerking and immense
strain. Take the various steering
gear parts. They fit together with
such exact nicety and are made so
very dependable by The Ford Motor
Company that you are reasonably
sure to cover the roughest roads with
out accident. There are over 2,000
more parts we could mention—all
made from the same high grade
material as the original car. Buy
your parts, or insist upon your
mechanic buying them, from an
Authorized Ford dealer. They are
genuine. They cost less. They are
much better and safer.

There is more Catarrh in this section
of the country than all other diseases
put together, and for years it was sup-
posed to be incurable. Doctors prescribed
local remedies, and by constantly failing
to cure with local treatment, pronounced
it incurable. Catarrh is a local disease,
greatly influenced by constitutional con-
ditions and therefore requires constitu-
tional treatment. Hall's Catarrh Medi-
cine, manufactured by F. J. Cheney &
Co., Toledo, Ohio, is a constitutional
remedy, is taken internally and acts
thru the blood on the mucous surfaces
of the system. One Hundred Dollars re-
ward is offered for any case that Hall's
Catarrh Medicine fails to cure. Send for
circulars and testimonials.

THE MOST

DANGEROUS DISEASE

No organs of the human body are so
important to health and long life as the
kidneys. When they slow up and con-
fess to lag in their duties, look out!
Find out what the trouble is—without
delay. Whenever you feel nervous,
weak, dizzy, suffer from sleeplessness,
or have pains in the back—wake up
at once. Your kidneys need help. These
are signs to warn you that your kid-
neys are not performing their func-
tions properly. They are only half
doing their work and are allowing im-
purities to accumulate and be con-
verted into uric acid and other poisons,
which are causing you distress and will
destroy you unless they are driven
from your system.

SCHOOL NOTES

Mr. C. F. Straight, state repre-
sentative for the Merrill Publishing
Company, spent Tuesday in visiting
the local schools. Mr. Straight is a
school man of long experience and he
addressed the grade teachers on the
"Psychology of Reading" a subject
in which he is a specialist.

County Farm Agent Eckard gave a
very interesting and instructive talk
to the high school agriculture class
Monday morning.

Word has been received that Mr.
Arthur Thayer, whose engagement to
Miss Ruth Miller, language teacher in
the local high school last year, had
been announced, was killed in action
on the day the armistice terms be-
came effective. Mr. Thayer had
visited Paw Paw a number of times,
coming here from Camp Custer where
he was located for some time. As a
student in Olivet college he had made
a state wide reputation in athletics.
Miss Miller who is now teaching in
the high school at Lowell has the
sympathy of the entire school of the
community.

Rosalie Geil has withdrawn from
the seventh grade and has gone to
Detroit.

Next week is the last of the first
semester.

The program given in the high
school assembly last Friday afternoon
was one of the best of the year. The
Girls' Mandolin Club, appearing for
the first time before the high school
was particularly well received.

The program for this Friday in-
cludes a cornet solo by James Max-
well, a baritone duet by Eldred and
Devere Fish, a vocal solo by Miss
Bramsted, numbers by the high
school orchestra and Boys' Quartette,
and a piano duet by Marian Miller
and Emily Reynolds.

Mr. Kaye attended a Superinten-
dent's conference at Kalamazoo last
Saturday and goes to Grand Rapids
to attend a like meeting this week
Saturday.

Eleanor and Joseph Humphrey
have re-entered school.

The Senior English class have just
completed a study of Joe's poems and
stories and are now beginning Em-
erson's Essays.

Lelia Smith is the champion speller
in the sixth grade thus far this year,
not having misspelled a word. Elmer
Dorsterwitz holds second place
honors, having missed but three.
There are many other members of the
grade who have records almost as
good.

The High School Honor Roll for
the first semester will be published
in two weeks.

PAY UP YOUR WAR FUND SUBSCRIPTION

A considerable number of people
who subscribed to the Van Buren
County War Fund last Spring have
not paid their subscriptions. All sub-
scriptions were due December first,
and anyone who is in arrears should
pay up promptly.

Of course the war is over, but the
War Board assumed its obligations
before the Armistice was signed.
Closing the war has not cancelled its
obligations. Neither has it cancelled
the obligation of the subscriber. If
every subscriber will do as he agreed
and pay up their subscription, the
War Board can do as it agreed.

Thousands of our boys are still in
France. Other thousands are still in
the camps. Don't violate your word
to these boys just because they have
finished the job you sent them to do.
They finished their job. Don't lie

down on yours.

Have you heard of that new dis-
ease? It is a disgraceful disease to
have. It is called "I'm-Thru-Enza".
The initial symptom is a sense of
lassitude—a feeling of "What's the
use? It's all over. Why should I
pay up?" "Cold feet" is a marked
symptom. Another indication of the
presence of the germ is forgetfulness
(that the boys are still over there.)
Heart doesn't beat as it used to, and
in advanced stages, that organ appar-
ently turns to stone.

Remedy: Equal parts of "I-won't
quit", Red Cross spirits, patriotism,
and pep. Pay up an be immune.

David Anderson
County Chairman War Board.

Human Brain Still Mystery.

Science hopes that in time it may
discover the method whereby the bil-
lions of brain cells operate in making
is the thinking creatures we are. It
would know why the large mind is not
always the large brain; why we reach
our everyday conclusions in the diver-
sified affairs; why we act, plot,
scheme; why, as has been asserted,
the brain can stand the strain of per-
sistent work better than the muscles
of the body.
